SAFETY

Carrier's Safety Day

We have organized another **Safety Day** at the **Hoegaarden brewery (BE)** on **24th of May**.

Main topics:

- Most common misconducts and incidents
- Safety introduction at the Kiosk
- Safety observation

SAFETY

Summer is coming and the temperatures are rising...

However, for safety reasons, it's crucial for the drivers to wear a full **PPE**.

What is required:

- Hard hat (not a bump cap!)
- Long trousers
- Hi-vis vest
- Safety shoes

BELGIUM:

REMINDER – 15 PIN connector

Reminder for all carriers driving with AB InBev trailers:

- Majority of fleet of ABI trailers is equipped with “new” European connector (i.e. 1 connection instead of multiple)
- European 15 pin connector is *required* when driving with ABI trailers
- Distribution connector OK as temporary solution only
- All *non-compliance* instances are registered as safety misconduct (B&M)

Ideal solution:

1 connector

Temporary solution:

Distribution adaptor
