OVERVIEW

The Sales Order Entry and Tracking application (SOET) is a web-based tool that allows Red Bull finished goods to be ordered online. All submitted orders can be tracked.

Last changed on: 9/26/17	Last changed by:	File: XX SOET 002 SOET2 Frontend User Guide	Page: 4 of 31
-----------------------------	------------------	--	------------------

BUSINESS PROCESS PROCEDURE

XX SOET 002 SOET 2.0 FRONTEND USER GUIDE

LOGIN

DIRECT LOGIN

SOET 2.0 can be reached through the URL: <https://b2b.redbull.com/soet>. Use your Red Bull username and password to login.

Tipp: Most usernames consist of the first letter of your first name and your last name.

Figure 1: Direct login

LOGIN THROUGH MY WORKBENCH PORTAL

SOET 2.0 can also be reached via a Workbench APP (URL: <http://workbench.redbull.com>).

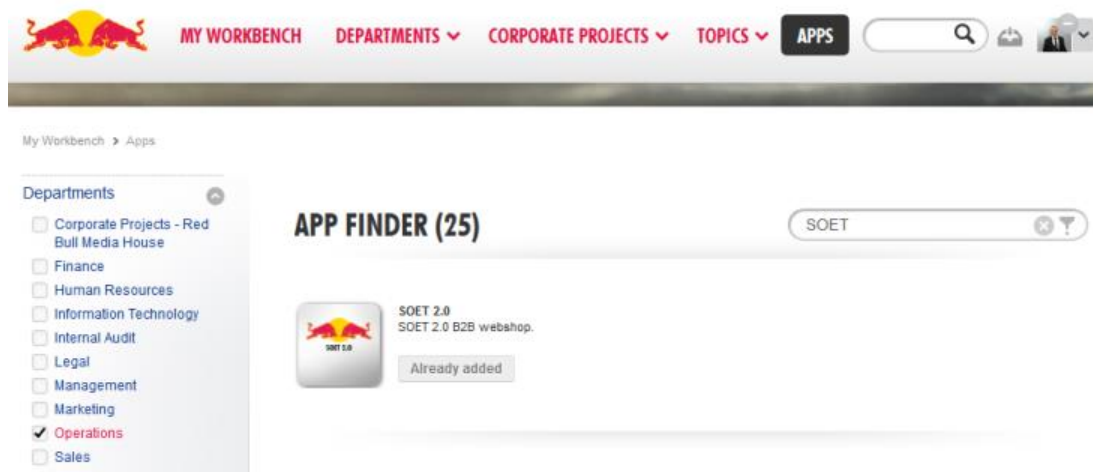

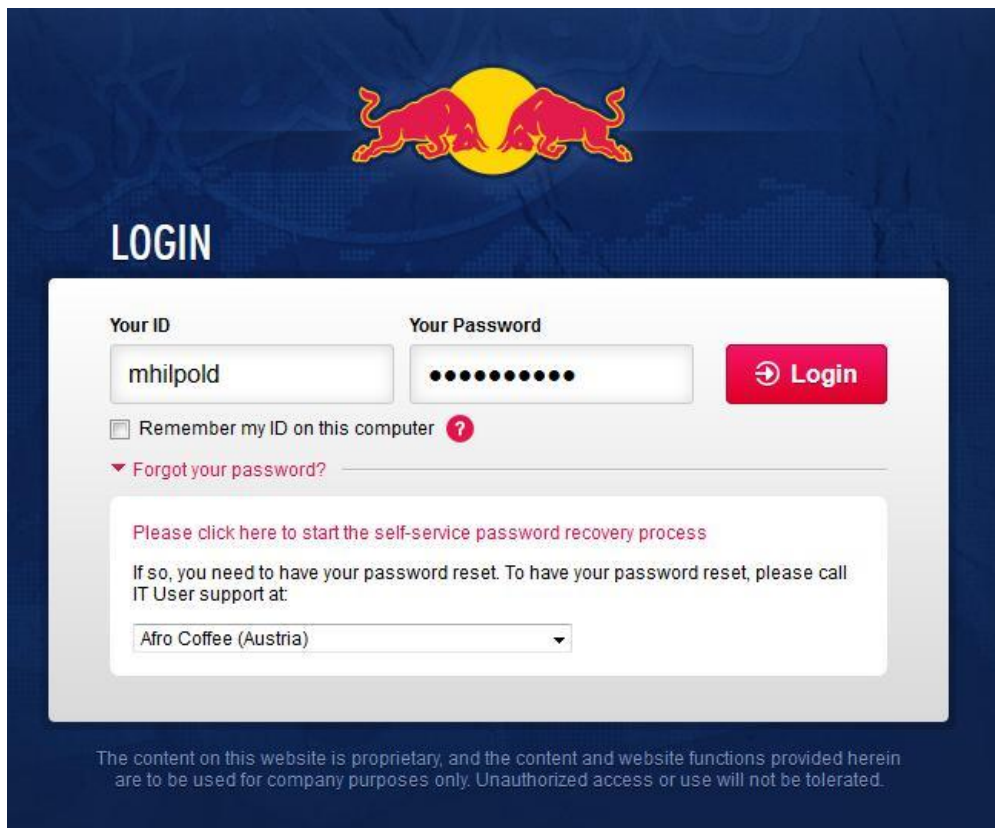

Figure 2: App in the Workbench

Last changed on: 9/26/17	Last changed by:	File: XX SOET 002 SOET2 Frontend User Guide	Page: 5 of 31
-----------------------------	------------------	--	------------------

CHANGE PASSWORD

The password can be changed via the “Forgot your password?” link or by calling the appropriate IT User support on the login page.

The screenshot shows the Red Bull login interface. At the top is the Red Bull logo. Below it, the word "LOGIN" is displayed. The login form includes fields for "Your ID" (containing "mhilpold") and "Your Password" (masked with dots). A "Remember my ID on this computer" checkbox is present, along with a red question mark icon. A red "Login" button is to the right. Below the login fields is a link for "Forgot your password?". A white box contains instructions: "Please click here to start the self-service password recovery process". It also states: "If so, you need to have your password reset. To have your password reset, please call IT User support at:" followed by a dropdown menu showing "Afro Coffee (Austria)". At the bottom, a disclaimer states: "The content on this website is proprietary, and the content and website functions provided herein are to be used for company purposes only. Unauthorized access or use will not be tolerated."

Figure 3: Change user password

CUSTOMER SELECTION

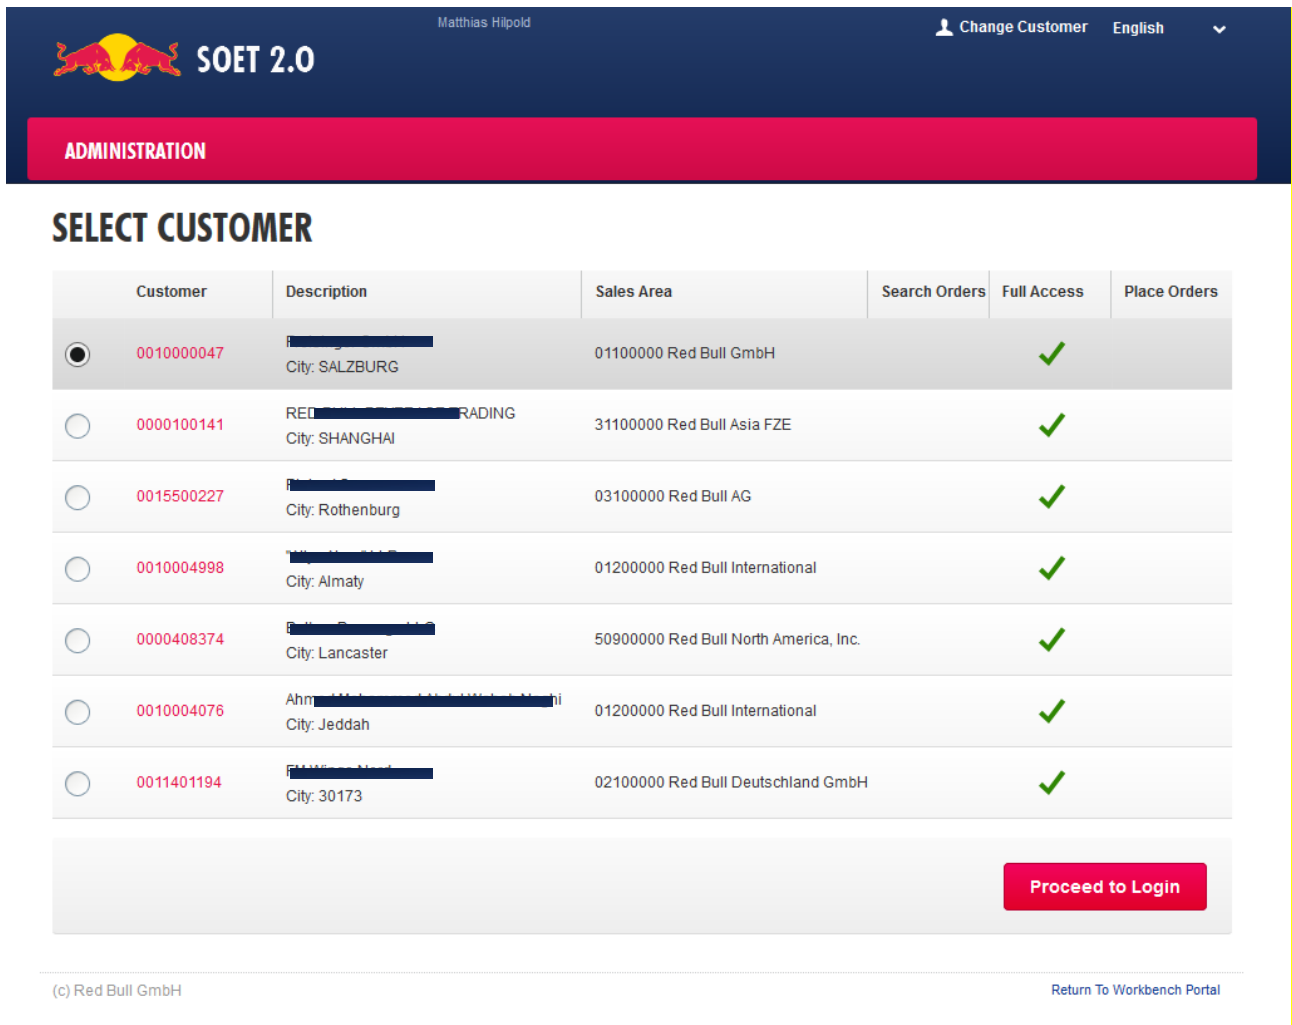

If a user has access to more than one customer, the customer is selected after login.

There are three types of user rights:

- Users with Full Access are allowed to place orders, create order templates and search all orders of the specific customer. They can also change and delete orders in status "blocked" and export order, delivery and invoice information.

(This access was used for all following screenshots)

- Users with Search Orders access are only allowed to search all orders and export order, delivery and invoice information in pdf and excel format.
- Users with Place Orders access are only allowed to place orders, create order templates.
- Please ignore the Administration link in the main menu. A regular end user will not see this option.

START PAGE AND OVERALL FUNCTIONS

The following functions are available on the start page:

- Use the main navigation or the three buttons on the start page to navigate.
- To change the customer, click on the link “Change Customer” in the upper left corner.
- To change the language, use the dropdown list in the upper left corner.
- In the header, you find also a Quick Order and Search Orders option. Using those two option, you may save some extra clicks.

WELCOME TO SOET

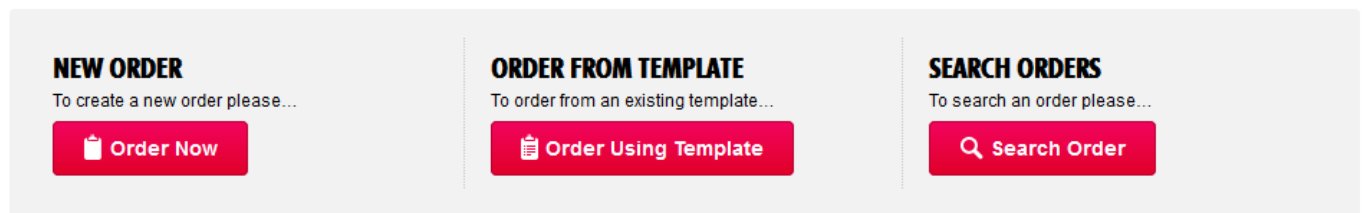

Figure 5: Start page

BUSINESS PROCESS PROCEDURE

XX SOET 002 SOET 2.0 FRONTEND USER GUIDE

NEW ORDER

PRODUCT LIST

The page "New Order" shows a list of all available products which were assigned to your account. Use filter functions on the left and sort functions at the top of the list to find the products you are looking for. By clicking on one of the filter functions on the left, the resulting product list is changed. Feel free to combine any filter (eg. Flavour "RB Energy Drink" + Filling Size "250ml") shows Red Bull Energy Drink products with filling size 250ml ONLY. All other flavours filling sizes etc. will be hidden.

To enlarge the search result simply remove one or all of the chosen filter options. Type the required quantity in the textfield and click "Add" to add the product to your cart. Click the button "Comment" to store a comment on order item level. Click on "Go to Cart" to get to the next step in the order process.

CHECKOUT PAGE

Add your own purchase order number and the requested delivery date (In case there is more than one order type configured in the SOET backend a drop down for order type selection appears). If more than one ship to address is available, select one by clicking on the "Edit" button in the centre of the screen. The system shows also the current active bill to address. If you want to send the order confirmation to an additional email address than yourself, edit the loaded shipping instructions, or send an order note to the Customer Service Centre, click on the button "Edit" on the right side.

Important for field "shipping instructions": This text is printed on the delivery note. Please make sure that it contains no sensitive data.

Click on "Calculate" to get to the next step in the order process by performing a order placement simulation.

Figure 9: Checkout page details

After a successful calculation, prices, the estimated delivery date and the transportation planning date are shown. If the estimated delivery date is later than the requested, a warning is shown, but the order can still be placed. If the credit limit of the customer is exceeded, also a warning is shown, but the order can be placed anyway. Warning are marked yellow and errors are marked red. If an error would occur at this point, the order placement cannot be continued here. Click on "Place Order" to place the order bindingly.

CONFIRMATION PAGE – SAVE TEMPLATE

The confirmation page informs you about the successful placement of the order. Click on the order number to see the order details again. You will be forwarded to the order tracking functionality of SOET. To save the content of the order as a template, type a name into the textfield and click on “Save Template”.

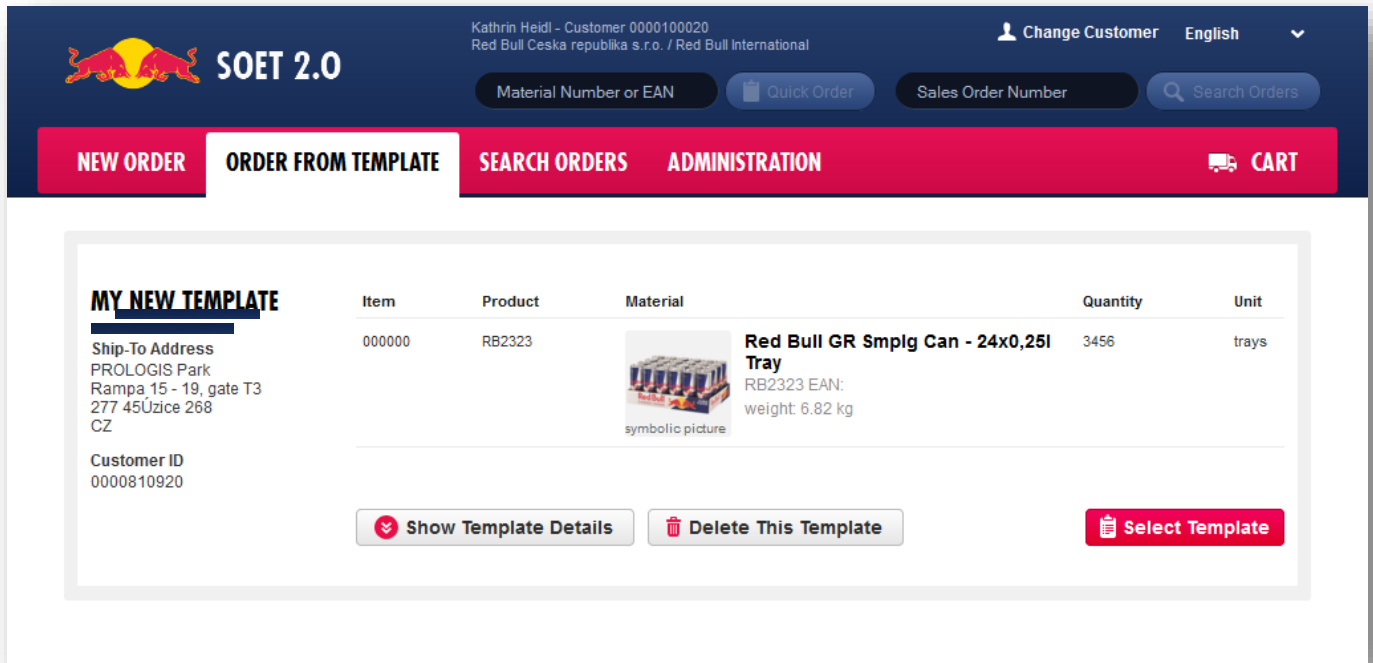

The screenshot shows the SOET 2.0 web interface. At the top, there's a header with the Red Bull logo, 'SOET 2.0', and user information: 'Kathrin Heidl - Customer 0000100020'. Navigation links include 'Change Customer', 'English', and a dropdown. Below the header is a navigation bar with 'NEW ORDER', 'ORDER FROM TEMPLATE', 'SEARCH ORDERS', 'ADMINISTRATION', and a 'CART' icon. The main content area is titled 'Checkout' and shows a progress bar with three steps: 1. EDIT ORDER DETAILS, 2. PLACE ORDER, and 3. CONFIRMATION. The 'CONFIRMATION' step is active. On the left, there's a green checkmark icon and the text 'SUCCESS! THANK YOU FOR YOUR ORDER.' followed by a list of bullet points: 'Your Red Bull Sales Order Number is 0000182351.', 'A copy of your order details has been sent to k[REDACTED]@[REDACTED].', and 'You can also access the details of this order using the [Search Orders](#) section.' On the right, there's a section titled 'SAVE ORDER AS TEMPLATE' with a 'Template Name' input field containing 'my new template' and a 'Save Template' button.

Figure 11: Order confirmation page

ORDER FROM TEMPLATE

To use an existing template click on “Order from Template” in the main navigation and click on “Select Template” within the templates you would like to use. You will be forwarded to the checkout page with all the information prefilled. If you need to change the order before placing it, click on the “Change” link in the bottom left corner on the checkout page.

The screenshot displays the SOET 2.0 web application interface. At the top, the header includes the Red Bull logo, the text "SOET 2.0", and user information: "Kathrin Heidl - Customer 0000100020" and "Red Bull Ceska republika s.r.o. / Red Bull International". Navigation links include "Change Customer", "English", and a dropdown menu. Search bars for "Material Number or EAN", "Quick Order", "Sales Order Number", and "Search Orders" are present. A main navigation bar features "NEW ORDER", "ORDER FROM TEMPLATE" (highlighted), "SEARCH ORDERS", "ADMINISTRATION", and a "CART" icon.

The "ORDER FROM TEMPLATE" section shows a template titled "MY NEW TEMPLATE" with the following details:

Item	Product	Material	Quantity	Unit
000000	RB2323	 symbolic picture	3456	trays

Additional information for the template includes:

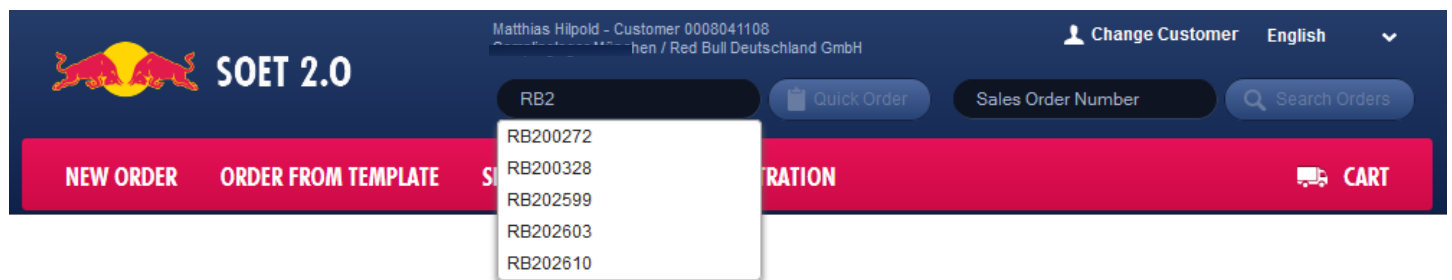

- Ship-To Address:** PROLOGIS Park, Rampa 15 - 19, gate T3, 277 45Úzice 268, CZ
- Customer ID:** 0000810920

At the bottom of the template details, there are three buttons: "Show Template Details", "Delete This Template", and "Select Template".

Figure 12: Order from template

QUICK ORDER FUNCTIONALITY

To quickly place a product into the cart, enter the Red Bull Material Number or EAN into the textfield in the header. Then click on “Quick Order”. The product is added into the cart with the minimum quantity. Then edit the quantity if necessary and click on the update button. To create an order with the product, click on the “Proceed To Checkout” button.

WELCOME TO SOET

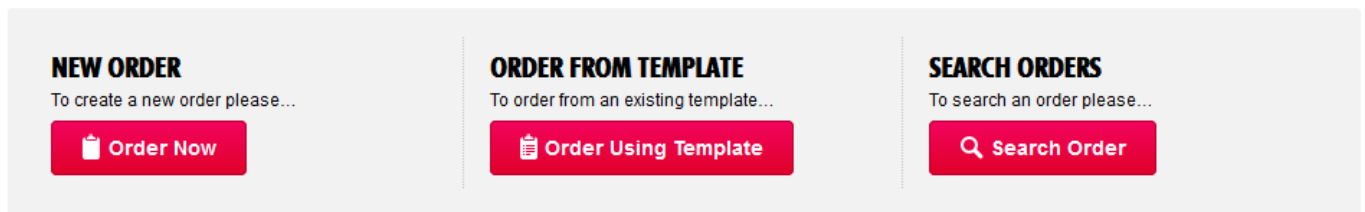

Figure 13: Quick order function

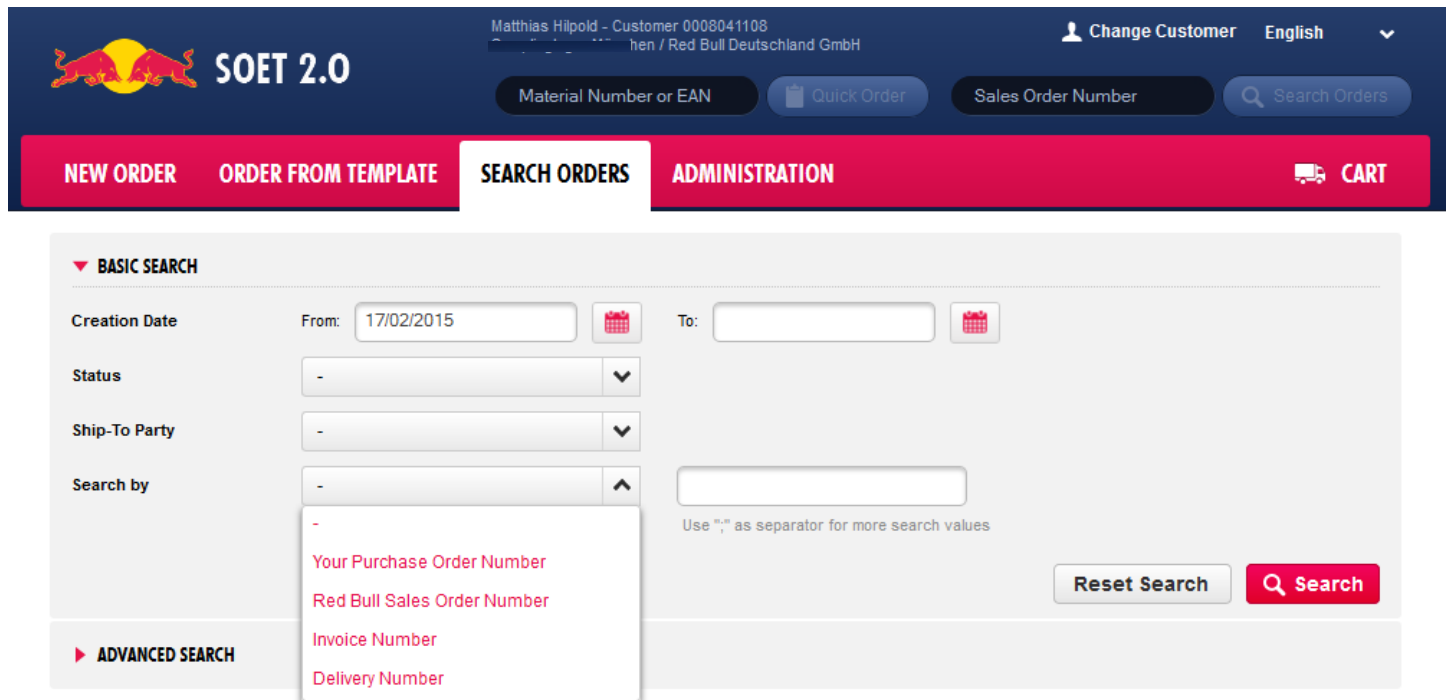

ORDER TRACKING

SEARCH

On the page "Search Order" you can search all orders for the customer you are logged in (they orders do not needed to be placed via SOET). Basic search and advanced search offer a variety of search options.

Note: Please always enter a date into "Creation Date - From" to limit the number of results. Otherwise your search might take very long.

After you click on "Search", the search button turns grey. Please wait until the search is finished and the button turns red again. The search can also be triggered in the header: Enter the sales order number in the textfield and click on "Search Orders" Button.

The screenshot shows the SOET 2.0 web application interface. At the top, there's a header bar with the Red Bull logo, the text "SOET 2.0", and user information: "Matthias Hilpold - Customer 0008041108". There are links for "Change Customer" and "English". Below the header, there's a navigation bar with buttons: "NEW ORDER", "ORDER FROM TEMPLATE", "SEARCH ORDERS" (highlighted), "ADMINISTRATION", and a "CART" icon. The main content area is titled "BASIC SEARCH". It features several search criteria: "Creation Date" with "From" and "To" date pickers (the "From" date is set to 17/02/2015), "Status" with a dropdown menu, "Ship-To Party" with a dropdown menu, and "Search by" with a dropdown menu. A tooltip is visible over the "Search by" dropdown, listing options: "Your Purchase Order Number", "Red Bull Sales Order Number", "Invoice Number", and "Delivery Number". There's also a text input field for a search term, with a note "Use ',' as separator for more search values". At the bottom right of the search area, there are "Reset Search" and "Search" buttons.

SEARCH RESULT AND EXPORT

The search result list has two options to export information in pdf or excel format. At the bottom of the search result list the excel and pdf files can be downloaded together in a zip file. Select the relevant orders in the order list (or select all, by checking the checkbox at the top), then select the type of export you need and click on the "Download" button. The download might take a while, please do not leave the page until the download is complete.

Please notice that pdf confirmation and pdf invoice are not available for every sales order.
